Fall Program Guide 2023

Afterschool Programs for kids are held on Wednesdays & Thursdays each week starting October 1. These programs are for 3rd-6th grades and will be highlighted on the calendar in Purple.

Programs geared specifically for adults will appear on the calendar in green and programs for all ages will be highlighted in blue.

Our big event this season is the **Vermont Fairy Tale Festival: A Celebration of Vermont's Public Libraries!** The date this year is Saturday, September 16th from 10-4pm. The festival admission is free with a non-perishable item for the food bank or the humane society. If you are interested in volunteering for the event, please call the library at 422-9765.

These are just some of the programs you'll find at the library this season. We will continue to add events to the calendar as we go and you can always get the latest event information on Facebook, Instagram or our website: www.sherburnelibrary.org

A huge thanks to all those who support the library and its programs throughout the year!

Make sure you follow the Sherburne Memorial Library on Facebook for up to date information on programs for all ages.

You'll also find us on the Vermont Fairy Tale Festival page as well as activities from libraries across the state.

Storytime for newborns through age 4 is held on Friday mornings at 10:30.
